

Third National ICTs in Basic Education Congress

Organized by the Department of Education, the Foundation for IT Education & Development, and the University of the Philippines – Open University
10 to 11 September 2008, Waterfront Hotel, Cebu City

Theme: Teaching the Net Generation – Curriculum, Pedagogy, and the Challenge of 21st Century Learning

CALL FOR ABSTRACTS

High school and elementary teachers, master teachers, curriculum developers, ICT coordinators, school administrators, teacher trainers (pre-service and in-service), education technologists, education policy planners, and members of institutions working in the field of ICTs in basic education are invited to submit abstracts of paper presentations to the Third National ICTs in Basic Education Congress.

Paper presentations on the following topics are welcome:

Appropriate Integration of ICTs across the Curriculum
Appropriate Integration of ICTs in the Core Learning Areas
Fostering Student Collaboration using Educational Technologies
Authentic Learning – combining real-world experiences/problems in ICT-supported learning activities
Assessment of ICT-Supported Learning Activities – strategies and tools, issues and concerns
Managing ICT-Infused Classrooms
Teacher Professional Development in ICT Integration (Teachers learning how to teach with technology)
Building or participating in online learning or professional communities and subject-specific networks
ICT-supported distance learning

Paper presentations may be in the form of case studies, project profiles, action research reports, and frameworks for decision-making.

Abstracts must be 300-400 words in length, in Word *.doc or *.rtf file format. Email abstracts to 3rdcongress@gmail.com or send by fax or in hard copy format to:

The Program Committee
Third National ICTs in Basic Education Congress
Foundation for IT Education & Development
