

## EDUCATION FOR ALL THRU RADIO

EFAR is an initiative of the Foundation for Information Technology Education and Development (FIT-ED) and the Department of Education aimed at harnessing radio for continuing teacher education as well as for expanding access to basic education services of those segments of the population that have special needs and/or have little or no access to such services through traditional means.

The first season of EFAR features a 16-episode course called *Mga Alaming Pangkalusugan at Pangkabuhayan* that will include discussions on *Healthy Living, Living Safely, Wise Consumers, Environmental Protection, and Coping with Disasters*. This course is scheduled for airing in September 2007. Four more radio courses—one on *Philippine Folk Science* and two on *Energy* and one on *Everyday Math* are planned for succeeding seasons. All courses are developed by the University of the Philippines National Institute for Science and Mathematics Education Development (UP NISMED).

Seed funding for the program came from The Coca-Cola Company.

The following matrix lists the DepED schools divisions and communities and their corresponding radio station partner, as of January 28, 2008:

Region	Division/Beneficiary Group	Radio Station Partner
CAR	DepED Division of Abra	Catholic Media Network's DZPA 873 in Bangued
